

Kishor Naik R

+91 7019826137 | Pavagada ,Tumakuru | kishor.1si22ec047@gmail.com | [Linkedin](#)

Education

Siddaganga Institute Of Technology, Tumkuru, Karnataka

2022-Present

Bachelor of Engineering Electronics and Communication Engineering

CGPA: 7.95

Morarji Desai Residential Science PU College, Tumakuru, Karnataka

2021-2022

Pre-University Examinations (Class 12 / Second PU)

Percentage:92.17

Morarji Desai Residential School(BC),Pavagada, Tumakuru, Karnataka

2019-2020

KSEEB Examinations (Class 10 / SSLC)

Percentage:95.84

Skills Set

Programming: C++(proficient),C(moderate), Python (basic)

Tools and Technologies: VS code , Cadence

Subjects: Basic knowledge of VLSI, Basics of Analog and Digital Electronics, Basics of Operating Systems, Embedded Systems

Soft Skills: Problem Solving, Communication, Team Work, Time Management

Projects

IOT based anti-theft flooring system

Developed an IoT-based anti-theft flooring system that detects unauthorized movement using piezoelectric sensors. It sends instant alert messages to the user and captures an image of the intruder using a Wi-Fi camera module. This project helps improve home and office security with a smart and cost-effective solution.

Participations

- Feel Employable Learning and Development intervention conducted by College for Leadership and HRD .

Certifications and Achievements

Data Structures and Algorithms Certification

CodeChef, June – July 2024

Focused on essential DSA concepts, including arrays, linked lists, stacks, queues, trees, and graph algorithms. Strengthened problem-solving and algorithmic skills through hands-on practice and competitive programming challenges.

Advanced Technical Training in C++ -- CodeChef

ExtraCurricular Activities

- Volunteer in National Service Scheme.
- I participate in weekly coding contests organized by CodeChef and GeeksforGeeks (GFG)
